Notes from the Left Channel (Catchy title)

First: Remember, regardless what day of the week this playlist is mailed out to all you lovely people—it was probably written the previous Sunday. So, if you get the playlist on Thursday or Friday, don't worry about that big release you just sent us; we probably haven't gotten it or our programmers haven't auditioned it.

Second: Try and tell me if you are coming to our conference. I mean I can call you all up-but that wouldn't be as much fun as getting an RSVP. Don't worry about accomodations; we'll be sending you a list of the four classiest places in Waltham to stay, and man if you know Waltham, you know thathose ~~ix~~ does are the bets

Third: We would also ~~appreciate~~ appreciate the name or names of possible performers to do our free concert at the end of the day.

Yours sincerely,

Peter Mensch
